UNIVERSITY OF CYPRUS
FOSS RESEARCH CENTRE FOR
SUSTAINABLE ENERGY
DEPARTMENT OF ELECTRICAL AND COMPUTER ENGINEERING

SPECIAL SCIENTIST

The Photovoltaic (PV) Technology Laboratory of the FOSS Research Centre for Sustainable Energy (www.foss.ucy.ac.cy) at the University of Cyprus announces one (1) vacancy for a full or part-time Special Scientist position to work on externally-funded research projects at the PV Technology Laboratory.

DUTIES AND RESPONSIBILITIES
The successful candidate is expected to conduct research under research projects of the PV Technology Laboratory in the field of Solar Energy and in particular photovoltaic technology. The successful candidate will have the following duties and responsibilities:

- Designing, setting up, and conducting research experiments for studying the operation of PV in terms of efficiency, degradation, etc, at the level of cell, module and system as a function of ambient environmental conditions; also, conducting research in PV technology grid integration
- Data analysis
- Development and use of appropriate models and algorithms for work on PV cells, modules, and systems and interpretation of research results
- Writing articles and publication of research results
- Supervision of research projects conducted by bachelor (final year) and postgraduate students
- Support in research project management
- Contribution to the dissemination of results and in educational activities.

REQUIRED QUALIFICATIONS

- First Degree in one of the following: Electrical Engineering, Mechanical Engineering, or Physics.
- PhD in one of the following: Electrical Engineering, Mechanical Engineering, or Physics.

ADDITIONAL QUALIFICATIONS

Ideally, the candidate will have prior experience in research projects in relevant fields to the research conducted at the PV Technology Laboratory.
EMPLOYMENT TERMS

The monthly gross salary for full time employment (140 hrs/month) is in the range of €2000-4200 (€14,28/hr - €30,00/hr). From this amount employer and employee contributions to the various Government Funds as well as any income tax will be deducted. The salary can vary depending on experience, qualifications, and specific duties in research projects involved. The initial contract, which is on an hourly basis, is for one (1) year with the possibility of renewal based on successful progress. 13th salary and medical coverage are not provided.

Interested candidates should submit the following:

1. letter of interest for the position
2. full cv
3. copies of degrees and transcripts
4. name and contact details of two referees for recommendation letters.
